

2011 Flood Assistance

Many parts of Pennsylvania were devastated by the floods of September, 2011.

Labor has a strong history of helping those in need.
It is again time for our brothers and sisters to come together
and do whatever we can.

The Pennsylvania AFL-CIO has a network of Labor Liaisons who are helping
connect those who *need* help with those who *can* help.

In the Harrisburg area:

The United Way of the Capital Region has set up a
[Capital Region Flood Recovery Fund](#).

Click for complete information and how to donate.
If you need assistance, contact Labor Liaison John Waters
jwaters@uwrc.org

In Lancaster County:

If you are able to help the flood victims or need assistance,
contact Labor Liaison Jean Martin:
llancccl@verizon.net

In the Wilkes-Barre area:
